Major Recruiting Event Scheduled for May 25, 2011 at
Doubletree Hotel-Denver Tech Center**

Denver, Colorado: Healthcare employers from throughout Colorado plan to attend the Connect with Success Career Fair on 5/25, 8:30AM – 6PM, at the Doubletree Hotel-Denver Tech Center. Hosted in partnership by the National Healthcare Career Network (NHCN) and the Colorado Alliance, a group of prestigious healthcare associations and trade societies, this event will attract experienced healthcare professionals in nursing, allied health and operations.

According to Michael Scott, VP of Shared Services, Colorado Hospital Association, "We're very excited to co-host this Career Fair and help our state's healthcare community hire outstanding employees. The NHCN has managed these recruiting events in other markets with great success, so we expect that both employers and job seekers will realize fine results."

Carol Barber, Managing Director of the NHCN, added, "In support of the Connect with Success Career Fair, we're using a multi-pronged marketing strategy to reach top talent. Promotions on radio and TV, in print, via email, and on search engines/social media are all in the works. We've found that a robust mix of media is highly effective in attracting diverse, highly qualified job seekers."
